An Abnormal Intellect.

A New England school-teacher received the following note of caution from the anxious mother of one of her pupils:

"Dear Miss, please do not push Johnny too hard for so much of his brains is intellect that he ought to be held back a good deal or he will run to intellect entirely and I do not desire this. So please hold him back so as to keep his intellect from getting bigger than his body an' injuring him for 'life.'—Harper's Bazar.

"I have used Chamberlain's Cough Remedy in my family for years and always with good results," says Mr. W. B. Cooper of El Rio, Cal. "For small children we find it especially effective."

Cherry Marmalade.

Choose six pounds large ripe cherries, remove the pits and put the fruit in a preserving kettle over the fire and reduce by boiling to one-half. In the meantime put half of the pits in a wooden bowl and with a small flat stone pound them fine; then add two pounds ripe currants and pound them also. Inclose this pulp in a cheesecloth and press out all the juice and strain through flannel; add the liquid to the cherries and boil a few minutes; then add six pounds of sugar, stir and boil till the marmalade drops in large flakes from the spoon. Remove all scum and fill glasses with jelly. If handy and if liked half gill of kirsch may be added to this marmalade.—Brooklyn Eagle.

THOUSANDS OF REQUESTS

For Free Bottles

Are received by the manufacturers of Dr. David Kennedy's Favorite Remedy, and upon strict investigation it has been found that no less than 91 per cent. of those receiving trial bottles have been so helped by the Remedy sent, that they have bought large sized bottles at their druggists.

There is no doubt that Favorite Remedy is the very best medicine known for diseases of the Kidneys, Liver, Bladder and Blood, Rheumatism, Dyspepsia and Chronic Constipation. The manufacturers are prepared to send free trial bottles postpaid to all those who will write, giving their full name and post office address to the DR. DAVID KENNEDY CORPORATION, Rondout, N. Y., and mention this paper.

Put some of your urine in a glass tumbler; if in 24 hours it has a sediment, or a milky, cloudy condition; if it is pale or discolored,ropy or stringy, you need a good medicine, and Favorite Remedy is the best one you can take. It speedily cures such dangerous symptoms as pain in the back, frequent desire to urinate especially at night, scalding burning pain in passing water, staining of your linen by the urine and inability to hold it. Also the unpleasant and dangerous effects produced on the system by the use of whiskey or beer.

Dr. David Kennedy's Favorite Remedy is sold at all drug stores at \$1.00 a bottle, or six bottles for \$5.00.

ON A COOLIE SHIP.

The Captain Describes the Suppression of a Row Among the Lowest Grade of Chinamen.

We were half through our lunch in the saloon, when we heard some horrible yells and cries of "Tai! tai!" (Fight! fight!) "Hullo!" the captain said, "another jolly row downstairs. You stay where you are; you'll find a loaded revolver in my room, for use if anyone attempts to molest you." So, lighting his pipe and calling his dog, a fierce-looking English bull, he went on deck to see what was the matter. Broken basins and lumps of firewood were flying in all directions, and knives were drawn—great ugly looking things. The captain elbowed his way among the coolies, giving first one and then another a dig in the ribs. One fearful looking coolie, whom they had just doctored, aimed a blow at him with a broken basin; but the dog was too quick for him, and brought the fellow down on his back and held him there. The two principal offenders were caught, their heads banged together until they were brought to quietness, then an explanation asked. Of course, everyone wanted to talk and explain at once, but the captain held up his hand until there was silence, then called one man after another, and heard what each had to say, through an interpreter. The row was caused by one man wanting to light his pipe at an opium-smoker's lamp. The most trivial things cause most violent fights. I said to the captain when it was over: "Are you not afraid?" "Well," he replied, "to confess the truth, I am; but to show the least fear among a crowd like that, or to lose your temper, would never do. But I'm getting used to it; these rows occur every time we have coolies, some worse than others."—Chambers' Journal.
